

Fast, powerful POS printing

Fast retail top-exit

The upgraded CT-S601IIR

A new and special version of the popular CT-S601II printer, the new CT-S601IIR arrives as a Re-Stick Liner-Free Model that prints top exit, self-adhesive labels and has been designed to serve across multiple applications.

Eco-friendly POS printing solutions

Producing cost-effective, continuous roll label output, the CT-S601IIR also highlights mark-leading eco-friendly capabilities. Offering users significant waste reduction, the new printer produces entirely Liner-Free labels and is compatible with MAXStick® media. Also, due to its ability to adjust the print length to suit the required content, CT-S601IIR reduces waste further still.

Internal power supply

All 80mm POS printers from Citizen offer an internal power supply.
